Why Use the CFB Network?

When you need any product or service, Cops and Firefighters in Business is your best resource! Our occupation creates a unique brotherhood, and many of us have talents beyond what we do for our communities. Instead of a total stranger coming to your home to clean your carpets and handle your pest control needs, a business that is owned or operated by a Police Officer or a Firefighter will come to your home.

Cops and Firefighters in Business, Inc. utilizes a rating system to monitor customer satisfaction. Our motto, "Do business with someone you can trust," says it all. So next time you're in need of any product or service, visit www.cfbnetwork.com, and click on "business locator".
