

Watch Out For Seniors...

If you are a senior you will understand this one. If you deal with seniors, this should help you understand them a little better, and if you are not a senior yet... God willing, someday you will be.

The \$2.99 Senior Special

We went to breakfast at a restaurant where the "Seniors' Special" was two eggs, bacon, hash browns and toast for \$2.99.

"Sounds good," my wife said. "But I don't want the eggs."

"Then, I'll have to charge you three dollars and forty-nine cents because you're ordering a la carte," the waitress warned her.

"You mean I'd have to pay for not taking the eggs?" my wife asked incredulously.

"Yes!" stated the waitress.

"I'll take the special then," my wife said.

"How do you want your eggs?" the waitress asked.

"Raw and in the shell," my wife replied. She took the two eggs home and baked a cake.

Dalai Lama

When asked what surprised him most about humanity, The Dalai Lama answered, "Man. Because he sacrifices his health in order to make money. Then he sacrifices money to recuperate his health. And then he is so anxious about the future that he does not enjoy the present; the result being that he does not live in the present or the future; he lives as if he is never going to die, and then dies having never really lived."
